

Vivid GovTech:

*Elevating Salesforce Solutions
in Government Sector*

Partnering with Vivid GovTech not only augments the Salesforce Public Sector Platform and LPI Solution but reshapes local government Permitting, Licensing, and Land Management operations. Our deep-rooted expertise in government processes, fused with our exclusive IP, refines Salesforce's Licensing, Permitting, and Inspections system, delivering a tailored, enhanced solution.

WHY PARTNER WITH VIVID GOVTECH?

CUSTOMIZED SOLUTIONS

Beyond out-of-the-box Salesforce offerings, we provide finely-tuned Permitting, Licensing, Inspections and Land Management solutions addressing precise government operational needs.

SEAMLESS INTEGRATION

Our expertise ensures smooth integration with existing systems, amplifying Salesforce's capabilities. Seamless pre-built integration to ESRI.

SUSTAINED MANAGEMENT

Post-implementation, our service management fosters a long-term partnership, ensuring continuous system optimization and agency satisfaction.
